Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Child Welfare League of America Incorporated, United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. States and cities across the USA are now implementing concurrent planning as an answer to expediting permanency for children in foster care. This book documents the implementation of the process in New York State. Featuring interviews with state and national child welfare professionals as well as focus groups with parents, foster parents, and caseworkers, this report examines the challenges posed by concurrent planning and offers recommendations to strengthen the practice to effectively serve children in foster care and their families.
