

Command Legacy: A Tactical Primer for Junior Leaders of Infantry Units (Paperback)

By Raymond A. Millen

Potomac Books Inc, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. The burden of fighting wars, large or small, often rests on the soldiers and junior leaders of small infantry units. Command Legacy presents a combat officer's conclusions about how to approach tactical problems and missions and about the links among tactical theory, doctrine, and practice. It is meant to prime junior leaders for tactical operations, team building, and professional development. From developing company doctrine, preparing for a mission, and conducting assaults to addressing such concerns of the individual soldier as supply, terrain, and weather, any leader (officer or enlisted) tasked to conduct tactical operations needs this valuable book.

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
