John Wiley Sons Inc, United States, 2016. Hardback. Book Condition: New. 1. Auflage. 235 x 153 mm. Language: English . Brand New Book. Actionable, intelligent CFO training for the Chief Family Financial Officer Family Inc. is a roadmap to financial security for the family CFO. Too much personal wealth management advice essentially boils down to goal-setting, which isn't helpful or effective in terms of overall financial planning. This book takes a different track, giving you a crash course in corporate finance and the tools to apply the field's proven, time-tested principles in the context of your family's financial situation. You'll learn the key principles of wealth creation and management, and learn how to make your intellectual and real capital work for you. Your family situation is unique, and your principles must sometimes differ from the standard financial advice and that's okay. Life is not a template, and even the best strategy must be able to adapt to real-life situations. You'll learn to chart your own path to financial security, utilizing the author's own tools that he developed over 15 years as an active board member, chairman of the board, or chief financial officer of multiple companies. Oversimplified wealth management advice does not leave you equipped to manage your real-world finances. This guide is written with intellectual rigor, but in the language of family discussion, to give you a real, practical guide to being an effective family CFO. * Create your own financial prosperity and security * Align financial acumen with your family's specific situation * Adapt to real-world situations and make your financial advisor work for you * Utilize powerful financial tools to help you build financial independence Every family needs a CFO to manage wealth, and the principles of corporate finance...
