

The Truth about These Strange Times

Filesize: 6.68 MB

Reviews

Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Joana Champlin)

THE TRUTH ABOUT THESE STRANGE TIMES

Bolinda Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Saul Dawson-Smith can memorize the sequence of a shuffled deck of cards in under a minute; he can recite pi to a thousand decimal places and he remembers every conversation he s ever had. He is 10 years old. Howard McNamee is 28: lonely, overweight, and poorly-educated. He lives in the north of England, far from the scene of his difficult Glasgow childhood, in the home he shared with his mother before she died. Through a series of unexpected events, these two solitary people find themselves forming an unlikely friendship, as Howard is taken under the wing of Saul s parents, thrust into a life in London (where he makes new friends, tries to navigate a bewildering new city, and accidentally acquires a Russian internet fiancée) and Saul prepares himself for the World Memory Championships--the event he has been training for his whole life.
