WARRIOR ATTICUS THE GREAT - BOOKS 1-3: BOOKS 1-3 FEATURING THE ANGRY GANG, HOLOGRAMS ARE FUN! AND BASEBALL CARDS (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Warrior Atticus the Great is a young boy with one super power: he can walk on walls and ceilings. He would love to know how to fly! He also has a black belt in karate, and knows enough taekwondo to enhance his knowledge of martial arts. In the first book, he is instrumental in capturing a small gang of criminals (The Angry Gang), who are plotting to take over the world. The government has heard about how wonderful Warrior Atticus is and has asked for his help. During the process of helping to apprehend the Angry Gang, he comes into possession of two powders, one that makes him invisible and one that allows him to fly. One of the members of the Angry gang is a crazy scientist who developed them, and Warrior Atticus the Great takes them away. Using these powders, Atticus apprehends the criminals and turns the powders over to the government laboratories for analysis, and to restock his supply for future apprehensions. Further stories have Warrior Atticus the Great helping the government to arrest people who are doing criminal activities designed to harm the public and our country. The series of stories follows Warrior Atticus the Great as he uses increasingly amazing technologies such as holograms and shape-changing powders to apprehend a different type of criminal in each story. The stories are meant to inspire children to realize the greatness in themselves and to always stand up to the bad guys and bullies. Some of the stories include a new vocabulary word for the reader to use their resources to solve. Stay tuned for more books in the series to follow.
