Fludd (Paperback)

By Hilary Mantel

HarperCollins Publishers, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. From the double Man Booker prize-winning author of `Wolf Hall`, this is a dark fable of lost faith and awakening love amidst the moors. Fetherhoughton is a drab, dreary town somewhere in a magical, half-real 1950s north England, a preserve of ignorance and superstition protected against the advance of reason by its impenetrable moor-fogs. Father Angwin, the town's cynical priest, has lost his faith, and wants nothing more than to be left alone. Sister Philomena strains against the monotony of convent life and the pettiness of her fellow nuns. The rest of the town goes about their lives in a haze, a never-ending procession of grim, grey days stretching ahead of them. Yet all of that is about to change. A strange visitor appears one stormy night, bringing with him the hint, the taste of something entirely new, something unknown. But who is Fludd? An angel come to shake the Fetherhoughtonians from their stupor, to reawaken Father Angwin's faith, to show Philomena the nature of love? Or is he the devil himself, a shadowy wanderer of the darkest places in the human heart?...

Reviews

Very good electronic book and valuable one. It is actually written in basic words instead of difficult to understand. I discovered this ebook from my i and dad encouraged this publication to discover.
