HAPIJS IN ACTION (PAPERBACK)

Manning Publications, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. DESCRIPTION As a low-level platform, Node.js offers a lot of flexibility in building the server side of web applications. In day-to-day work, all this flexibility means that there will be a lot of important decisions to make every time a new project is started. Hapijs, a battle-tested configuration-centric framework for Node, takes the pain out of spinning up new applications so developers can focus on adding...
