New Libri Press, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Did your aunt ever get drunk at the holidays and call everyone in your family motherf**rs? If so, you will love this book. If not, you will especially love this book. Meet the Applewhites in the 80s, a clan of Brits transplanted to New York City. Reebee, a fat seven year old with a penchant for lying and a fear of poltergeists, is the unwitting chronicler of the Applewhites many maladaptations. Through Reebee s eye for absurdity with compelling touches of humanity, we meet--her young mother, a chain smoker with a foul mouth and model looks, her mother s Italian immigrant boyfriend who is dangerously frugal, and married, her mother s stalker, an elderly cocaine dealer, and her mother s best friend, a portly Bronx woman who enjoys dancing Merengue and resolving problems outside of the law. The extended family court danger in their own highly idiosyncratic ways. Reebee can t swim, but she does learn to navigate life and her family, as revealed in the last chapter, a flash forward to 2012 that finds her with a law degree, living in Uruguay with a Mr. Universe runner-up, who she runs away from. Back in NYC, Reebee moves in with her now youth obsessed mother, and a new Applewhite, her orphaned teenage cousin who is out of the closet and searching for his identity. We can t pick our families, but we can certainly pick on their insanity.
