It in a single of my personal favorite publication. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Pride Company, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.He doesn't believe in the paranormal. Can a gorgeous shifter prove him wrong? Ethan Wayne is a paranormal investigator for the hottest reality show on TV, Spirit Seekers, but his love life is decidedly lukewarm. Reeling from a sudden break-up, he finds himself heading for France, where his team will be exploring the Chateau LeBlanc, searching for the ghost of a murdered kitchen maid. When he meets the chateau's reclusive owner, Jean-Luc LeBlanc, the attraction is fierce and instant-but Jean-Luc is keeping secrets the skeptical Ethan could never have imagined. Jean-Luc's world collapsed with the death of his beloved Benoit. He no longer cares about producing his award-winning Champagne and even his closest family members can't rouse him from his self-imposed solitude. The last thing he wants is a team of ghost hunters intruding on his privacy and discovering the truth of his nature. The realization that one of these brash Americans is destined to be his new mate seems like a sick joke. But soon Jean-Luc has bigger things to worry about than his distrust of humans. His home and family are under threat-can he do what it takes to save all he holds dear, and let Ethan into his heart in the process?.
