Olympic Games (Paperback)

By Leslie What

Tachyon Publications, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book. A modern-day tale of Greek mythological folly, this story follows the spoiled and vain Hera, who yearns for a family at any cost, as she pursues macho Zeus, still on the prowl in the 21st century. Meanwhile, Zeus, having given a family some cursory effort, is attempting to find himself in wine, women of all descriptions, and male rituals engaged in by his very own new age cult. Blind passion is truly a disaster when it involves the gods, leading to broken hearts, shattered dreams, and entomologically enhanced offspring. It is left to an unlikely band of mortals and one determined water nymph to somehow rein in the Olympian chaos.

Reviews

A superior quality publication and the font employed was exciting to read through. It is among the most awesome book i have read. I am effortlessly could get a enjoyment of reading a created publication.

-- **Ettie Kutch**

This pdf can be well worth a read, and much better than other. I am quite late in start reading this one, but better then never. Your daily life span will probably be transform when you full looking over this book.
