SEO ORGANICS: EASY SEARCH ENGINE OPTIMIZATION

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Search Engine optimization made easy - even for those who consider themselves computer dummies. Organic SEO is the goal for website and Internet placement and ranking for marketing any business on the web. Easy to follow, step by step instructions without complicated, boring search terms with quick tips and tricks for beginners to advanced levels of web design and basic computer skills. Yes you can be on the 1st page of Google Now with White Hat SEO techniques and strategies. There is no need to pay for advertising or AdWords to give your site a high placement on the search engines. The information in this book equals hundreds to thousands of dollars in fees often paid to SEO companies. My goal is to demystify search engine optimization. Anyone can increase Internet ranking of their website by simple content changes, free quality links and video marketing. I have never used AdWords or Pay Per Click and always managed to get websites on the first page of Google. Instructions include simple changes on webpage content, websites to join, quality links and video marketing the correct way. A business needs more than a well designed website - it needs traffic! No technology degree needed to follow these simple steps. Increase your website ranking now!.
