Reviews

This is an awesome publication i have at any time read. Of course, it is play, still an interesting and amazing literature. You will like just how the author write this book.

(Prof. Herta Mann)

SYRACUSE UNIVERSITY AN ARCHITECTURAL GUIDE

To download **Syracuse University An Architectural Guide** PDF, make sure you follow the link under and download the document or have accessibility to other information that are related to SYRACUSE UNIVERSITY AN ARCHITECTURAL GUIDE book.

Syracuse Univ Pr (Sd). Paperback. Condition: New. 140 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. This handsome manual offers an architectural overview of the Syracuse University campus. Intended for prospective students, faculty, alumni, and visitors, it shows how the campus evolved in response to the changing character of the academic community and urban environs. It also gives an inside look at the university's most engaging structures - from the stately Hall of Languages (1871) to Crouse College (1889) to the landmark Carrier Dome stadium (1980), and more. Here are the chancellors and architects, benefactors and builders whose vision and grit helped turn dreams into brick-and-lime. Here, too, are the grand plans and false starts, external events, and policy choices that transformed a small, bucolic nineteenth-century school into the architecturally and culturally complex campus that is Syracuse University today. Richly illustrated and compellingly written, this is a crucial companion for anyone interested in exploring the architectural heritage of Syracuse University. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
