THE SOUL'S WAY: A JOURNEY TO THE CENTRE OF ONE WOMAN'S HEART (PAPERBACK)

Balboa Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The soul's way is a book about a mother and a wife who at thirty three began a search for truth, (Her Truth) like a journey to the ends of the earth this was a journey to the inner workings of her heart, a journey that at first was painful and almost ended her life to one of healing, forgiveness, love and passion. Marianne believed because she was a school dropout she was destined for an ordinary life she went on to discover that this was the belief system of her own mind a system she found could be changed with determination and inner strength. Teaching us all to listen to the voice within something that we as a society have long forgotten. Marianne's words reach out to touch everyone's soul as the truth is a universal language, the language of LOVE. We can all achieve the life of our dreams through faith and trust, believing in miracles and God's divine plan for us, let go of that inner control freak we call the ego and participate in the game of life.
