

Mobile Suit Gundam Thunderbolt, Vol. 6 (Paperback)

Filesize: 9.38 MB

Reviews

This ebook will never be straightforward to get started on looking at but really fun to read. It is amongst the most incredible publication i have got read through. I realized this pdf from my i and dad encouraged this publication to learn.

MOBILE SUIT GUNDAM THUNDERBOLT, VOL. 6 (PAPERBACK)

Viz Media, Subs. of Shogakukan Inc, United States, 2018. Paperback. Condition: New. Language: English . Brand New Book. An epic story of war and survival set in the legendary Gundam universe! In the Universal Century year 0079, the space colony known as Side 3 proclaims independence as the Principality of Zeon and declares war on the Earth Federation. One year later, they are locked in a fierce battle for the Thunderbolt Sector, an area of space scarred by the wreckage of destroyed colonies. From the frozen wastes of Antarctica to the abyssal depths of the ocean, Operation Thunderbolt is under way. Io Fleming heads back into battle aboard the Federation MS carrier Spartan. While taking a perilous course through the Antarctic Ocean, Spartan is pursued by a Zeon submarine unit. Io takes the controls of the awesome new RX-78AL Atlas Gundam, but as always, it's not the machine but the pilot that makes the difference in the unforgiving crucible of combat. A new take on the classic Gundam universe, Gundam Thunderbolt is an action-packed, character-focused story with a gritty, realistic tone that requires little familiarity with the property to get involved. * Releases 4 times a year for 9+ volumes. Series is ongoing. * Anime available on DVD Blu-ray from Bandai. * Each volume includes multiple color inserts. * Massive amount of merchandising available, including games, toys and plastic model kits.
