

The Measure of a Leader: A Review of Theories about Leadership and a Methodology for Appraising Leader Effectiveness

By Robert I Mann

iUniverse, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What makes a great leader? Personality? A response to the demands of time and circumstance? Where is leadership located in modern organizations? Has it a place in the management of corporate enterprise? What contributes to a leader's control? These and many other questions are explored in the theoretical background of this work. An examination of twentieth century theories about the sources of personal powers, the social forces that enabled it, the psychological roots of leader relationships, the ingredients of leader style and quality, and the conduct identified as a leader's behavior is directed at identifying the measurable elements of this social phenomenon. Three chapters document experimental attempts to analyze leader performance, recognizing form, style, and quality in quantifiable detail. The use of descriptive questionnaires as means of labeling leader performance and quantifying its characteristics provides definitive insights into the nature of this social phenomenon. Finally a unique system for leader appraisal, the Leader Appraisal Questionnaire (LAQ), based upon sound theoretical principles and twenty years of experimental research with the questionnaire methodology, is detailed. This novel system, adaptable...
