Brand New Book ***** Print on Demand *****.As an entrepreneur and racecar driver, Tom Panaggio has learned that you cannot avoid risk if you want to be a winner. In *The Risk Advantage*, Panaggio tells the story of how he and his business partners built two thriving companies: Direct Mail Express (which now employs more than 400 people and is a leading direct marketing company) and Response Mail Express (which was eventually sold to equity fund Huron Capital Partners). The book is designed as a guide for those who are contemplating an entrepreneurial pursuit, are already engaged in building a business, or are currently working for someone else and want to inject their entrepreneurial ideas and attitude. With *The Risk Advantage*, Panaggio aims to help entrepreneurs face the many situations, predicaments, and crises they ll encounter during their lives as well as to help them formulate their leadership style and business strategy. *The Risk Advantage* is a story about an entrepreneurial journey that explores the relationship between opportunity and risk, two important forces that are necessary for success. Panaggio teaches that the unexpected edge for entrepreneurial success starts with identifying a worthy risk and then having the courage to take it. In his book, he identifies those risks based on what he s experienced along his own journey. Opportunities are always there for you to grab. If you want to realize a dream, accomplish a daunting goal, or simply start your own business, you must be willing to embrace risk. Learning the lessons of *The Risk Advantage* is an important first step to do just that.
