Casting Nets Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Victory Fellowship Groups Workbooks guide us into fulfilling what has always been God's plan - that we, the Body of Christ would be instruments of His love in action giving, relating, praying, forgiving, helping, serving, healing, accepting, trusting, confessing, breaking bread, sharing our stories and growing in His Spirit of love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control. VFG is an inspirational, transforming series of workbooks/discipleship tools for small Christian groups, couples and families. Each VFG workbook facilitates the integration of Christian Fellowship and Safe Communication Skills with Scripture, creating a safe, supportive environment where each person's thoughts and feelings are validated, each person is accepted and valued, each person senses a worthiness for love and healthy relationships. We will never experience personal fulfillment, nor find enduring peace outside of sincere love relationships (Romans 12: 4-21). Love is our highest expression of who we are and why we exist. The problem is, there is a constant battle going on between love and fear....
