Its need for touch with meaning. Love is now essentially a primitive theme shrouded in many layers of modernity. Likewise, this ancient form of soulful expression we call poetry, ails to find a home in the hearts and mind of the true lover of words, now an increasingly rare phenomenon. This book was conceived with the aim of resuscitating both species; love of writing and simply love. This collection is a timeless portrait of a universal theme. A bold poetic leap that encompasses the differing and comparative types of love.
