Have you heard about the Law of Attraction and wondered what it was? The concept of this universal law is to Ask, Believe, and Receive. Is this a new age concept as highlighted in the Law of Attraction? Or is it a principle that was written throughout the pages of the Holy Bible with a Biblical foundation that has been around since the beginning of time? Many people of faith have often wondered about this. This book will answer these questions and more. As you journey through this book, you will discover, with support from scriptural references, whether the two are completely different or one in the same. You will find that this book will be useful in your understanding of these principles. You will also discover that it provides techniques and practical applications that you can begin to apply immediately and effectively. And you will learn and grow in knowledge through discussions, feedback and sharing of this information with others.
