CORPORATE GOVERNANCE, CORPORATE SOCIAL RESPONSIBILITY AND SUSTAINABILITY PRACTICES IN OIL COMPANIES: EVIDENCE FROM EMERGING NATIONS (HARDBACK)

Academic Foundation, India, 2016. Hardback. Condition: New. Language: English . Brand New Book. In recent years, corporate governance has gained tremendous importance and interest among emerging and developing countries due to the emergence of global norms for corporate governance and the developments brought about through globalisation concerning harmonisation of procedures and structures. However, there is a limited research and literature found on the topic compared to advanced economies. In 2013, for the first time, developing and emerging countries are projected...
