May a Christian remarry during the lifetime of a divorced partner? With the increasing number of divorces and second marriages, such questions now touch every family and every church. Cornes begins his book with a theology of marriage and singleness, examining all the significant Old and New Testament passages. The second part of the book discusses the implications of the biblical teaching of pastoral ministry in the local church, dealing with a host of real life questions in a practical way.

Completely essential read publication. It is really basic but excitement in the fifty percent of the book. You will not really feel monotony at anytime of your respective time (that's what catalogues are for about in the event you ask me).
