Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Excerpt from How the West Has Moved on an Address, Delivered at Lincoln, September 27, 1877, During the Nebraska State Fair, and Upon the Invitation of the State Board of Agriculture Mr. President, Ladies and Gentlemen: During my childhood, passed on a rocky hill-side farm in the Pine-Tree state, an event occurred which left a lasting impression on my memory. It was the departure from the neighborhood of a family for the then far west, the northern portion of the state of Illinois. The head of the family was a restless, uneasy man who believed there was no place like one a long way from his native home He had sought by various occupations and in several places to better his condition with only indifferent success. His heart was always in some imaginary highlands, far removed from the hills within his view. He loved nothing so well as to talk with sailors and to read books of travels. On one occasion he went to a seaboard town to exchange some russet apples for codfish, then, as now, a staple article of diet in old New England. While there he met a miner who had just returned from the Black Hills of those days, the lead-bearing cliffs about Galena. From him he learned of the marvelous beauty and fertility of the valley of the Rock river in Illinois. He came back and immediately began to set his house out of order. He found a picture of a prairie schooner in Olney s geography, and gave an order to a wheelwright to construct one. Then he sought to trade his oxen and cows for a span of horses. As people heard of his...
