Createspace, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Written by an architect, for architects, Rich Farris takes you through his thirty year quest to define the secrets behind the art of architecture. For the architect or student intern who is struggling to find ways to tap in to their own personal creativity, this analysis exposes critical thought processes necessary for exploratory thinking and discovery. Rich Farris shows you how to get your own mind out of the way so you can find the open path to extraordinary creative development. The author ties in fine arts, social science and science into a comprehensive philosophical package that takes abstract theory to its real world application.
