From the contents: The club was newly opened and was in operation for only a few months. The Judo club had been opened for six months but the Karate club was just beginning, explained the club director. He told me I should start with the karate training and could then switch to Judo training if I did not have any fun. The Karate instructor was not present on that day. I registered for karate training and did not think about Judo again. We were 10 students at the beginning and trained two times a week.

Reviews

This book is definitely not effortless to start on reading through but extremely fun to learn. Better then never, though i am quite late in start reading this one. It is extremely difficult to leave it before concluding, once you begin to read the book.
