

Sakura Fireflies (Paperback)

By K R Kaufman

Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Direct quote from Sakura Fireflies: My hand brushed her arm as she stood, her hair was covering her face. Her expression was soft, although I couldn't see her eyes. She seemed to not notice my hand so I slid it back to my side. She shifted herself, the fireflies danced away as she moved, wiping off her dress. I eyed her, then found my hand wiping the hair out of her face, she looked at me, her eyes still moist. I then turned away and didn't say anything, she was crying still. I ached on the inside and sighed softly at her, crouching to the food and the blanket, packing it back into her bag. I didn't let her take her bag back and followed her to the trees. She was silent, her walking slow, her side dripped blood as we walked.
