The Bread of the Eucharist (Paperback)

By Reginald Maxwell Woolley

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Mr. Woolley s treatment falls into two parts. In the first part he deals with three points. (1) He examines once more the question of the date at which the use of unleavened bread was adopted in the West, and confirms what is, I suppose, the accepted conclusion, that unleavened bread became the general usage at earliest in the eighth century. He makes Alcuin, with some hesitation, it is true, a witness for it; but in fact Hrabanus Maurus is the first quite definite witness, and Alcuin s evidence is more than doubtful. (2) He sketches the history of the attack of the Greeks on the use of azymes in the eleventh century, and rightly emphasizes the reasonableness and tolerance of the West as against the general intolerance of the East: and here he could have cited also St Gregory VII Ep. viii l. (3) He treats of English use both in the Middle Ages, and particularly in and after the sixteenth century. In the second part, Mr. Woolley describes, and illustrates by photographs, the form of the altar-breads of the...
