

85: A Graphic Novel (Paperback)

By Danny Simmons, Floyd Hughes

Atria Books, United States, 2008. Paperback. Condition: New. Atria Bks Trade. Language: English . Brand New Book. Inspired by the widely praised novel *Three Days as the Crow Flies*, Danny Simmons and Floyd Hughes present a richly illustrated graphic novel set in the gritty underworld of New York City circa 1985 -- a time and place when street culture and the fine arts scene came together in strange and often predatory ways. Crow, a junky and the son of a deceased police officer, steals a few paintings from his friend Danny, which he hopes to sell and make a few dollars off of to pay his landlord and cop some powder. Before he knows it, he is drawn into the surreal dreamland of do-as-you-please, a hazy, hedonistic world of sex, drugs, and cold-blooded commerce. Filled with evocative black-and-white imagery and crackling with authentic, street-smart dialogue, Simmons and Hughes capture and bring to life this haunting urban tale.
