Neckties and Pocket Squares - A Practical Guide, by Mark Davids, 2014 Edition The way you dress impacts not only the way others see you but also how you see yourself. Wouldnt it be nice to carry yourself with more confidence and know that all eyes are on you not because youre being slovenly but because you put other mens wardrobes to shame? Knowing how to wear a necktie is only the first step in becoming the best dressed man in the room. You also need to know how to sport a pocket square to reach the epitome of style and class.
