WALLIS S WAR: A NOVEL OF DIPLOMACY AND INTRIGUE (PAPERBACK)

[DOWNLOAD PDF](#)

The University of Chicago Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Scandalous divorcee. Nazi sympathizer. Style icon. Her Grace the Duchess of Windsor. Such are the many-and many times questionable-monikers of the infamous Wallis Simpson. And with *Wallis s War*, Kate Auspitz adds another to this list: unwitting heroine. The facts: reviled by the British as a social-climbing seductress even as *Time* magazine named her its 1936 Woman of the Year, Simpson was the American socialite whose affair with King Edward VIII led him to abdicate the throne on the eve of WWII. In this fanciful novel written in the form of a fictional memoir, Auspitz imagines an alternative history in which Simpson was encouraged by Allied statesmen to remove defeatist, pro-German Edward from the throne, forever altering the course of the war. A comically unreliable narrator who knows more than she realizes, and reveals more than she knows, Simpson leads us from historic treaties and military campaigns to dinner parties and cruises as she describes encounters with everyone from Duff and Diana Cooper to Charles Lindbergh, Coco Chanel, and Hitler-all the while acting as a willing but seemingly oblivious pawn of international intrigue. A rare blend of diplomacy and dalliance, fashion and fascists, this meticulously researched satire offers witty and erudite entertainment and leaves us speculating: who really brought about the abdication and-always-what were they wearing?.
