

Gareth's Guide to Becoming a Rock Star Coder (Paperback)

By Patricia Harris

Gareth Stevens Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book. Computer literacy is nothing short of imperative, and many educators are advocating for students to understand code and even to become coders themselves. This motivating volume doesn't just introduce different kinds of coding, it instills readers with an excitement for coding themselves. They'll learn about special languages and programs that make coding achievable at all levels of proficiency. They'll be introduced to professional coders and learn how coding requires practical knowledge as well as creativity in solving problems. An appealing design adds interest to this already high-interest topic, which supports STEM curricula.
