Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. FALLING FROM GRACE; Shane McGowan and the Pogues were one of the most honest and original bands ever. It all began in the streets and pubs of London s Kings Cross, where punks, anarchists, artists - both piss and real - and musicians lived together as a community. The Pogues were a bunch of misfits that blazed a trail to huge success without seemingly yrying, and it all eventually blew up in their faces. This is the story of Shane MacGowan s rise and fall.rise and fall.rise. I LL TELL ME MA;The Clancy Bros. and Tommy Makem were bigger in the USA in 1963 than the Beatles. Bob Dylan to this day claims that Liam Clancy is the best ballad singer he ever heard. Yet they may never have existed if it wasn t for Diane Hamilton (Guggenheim). She was a wealthy American divorcee with money and influence, and she loved music. In the mid 1950 s she toured Ireland, searching for talent for her new record label, and discovered, amongst others, Liam Clancy and Tommy Makem. Liam Clancy found himself in the USA, aged 20, learning the music and acting business, courtesy of Diane - and in between trying to keep Diane out of his bed. Diane was so smitten that she attempted suicide one night, after Liam literally kicked her from of his bed in her house in Connecticut. That was when Liam lit out for Greenwich Village, and the Clancy Bros were born.
