Profile Books Ltd. Paperback. Book Condition: new. BRAND NEW, Off Message, Bob Marshall-Andrews, Bob Marshall-Andrews looks at the sombre events of the last thirteen years including wars in Kosovo and Iraq, sustained assaults on ancient English liberties, and the worst scandal of recent political history. He reveals the stories that lie behind them and the Westminster dramas of intrigue, triumph and disaster. He describes the delights and trials of his work as constituency MP and examines his own and others' motives for entering politics: should the ambition, he asks, be to achieve power or to control it. Bob Marshall-Andrews breathes new life into the old values of libertarian socialism. Off Message is as provocative and entertaining as its author's campaigns and interventions.
