Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Exile: A Tale of St. Augustine The early settlement of St. Augustine, the old est town in the United States, forms the basis of this story, which essays to delineate one of the most horrible massacres in the annals of history. The spirit which animated the French Catholics to murder their compatriots of the Huguenot faith, on St. Bartholomew s eve, inspired the Spaniards, under the Adelantado Menendez, to commit a like atrocity at Fort Caroline, near St. Augustine, Flor ida. Historical accuracy is not claimed for the poem but, that the reader may understand the narrative I have translated a part of the memoire of Fran cisco Lopez de Mendoza, chaplain of the Spanish expedition under Menendez and also alluded to a similar narration by one of the survivors of the Hu guenot colony. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
