Createspace, United States, 2012. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****. Lavie s book is one that I would want to keep on my desk during a job search. It starts off with great tips for knowing when it s time to leave your current job, how to get the most value for the money you spend with resume writers, and have some great LinkedIn tips. -Joshua Waldman, author of Job Searching with Social Media for Dummies Lavie Margolin has nailed it! When you need a new job, you don t want to read 1,000 pages of advice. You want a clear guide that covers the bases. This little book does exactly that, from start to finish. -Donald Asher, author of Cracking the Hidden Job Market When you are looking for your next career break, you need to utilize every advantage over other candidates that you can get. This book will help you to overcome the challenges that job seekers often face and thrive. By understanding the way that the job market and hiring process really works, you will put yourself into a better position to get a job faster and potentially earn hundreds of thousands more over the course of your career. This book will allow you to: Gain clarity on an often confusing and nonsensical employment hiring process. Showcase your skills in ways that appeal to hiring managers, recruiters and computer screening software. Receive suggestions for overcoming gaps in your work history. Create a resume that stands out from the crowd. Manage the applicant elimination game. Find the best job listing sites. Leverage your network for maximum effect. Discuss being let go or fired from a job. Tell the difference between genuine help and scams. Understand...
