AURA IN LALALAND (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When teenage theater geek Aura Lidell finds herself falling down a mysterious rabbit hole and hurtled 10 years into the future, understanding inconsistencies in the time space continuum is the least of her worries. Suddenly finding herself without her lifelong best friend Rowan, she must navigate her lifestyle as a 26 year old TV star in Los Angeles with no recollection of how she became one. All of the beautiful faces surrounding her are ones she can barely recall, her memories only returning at the sip of any beverage that calls drink me! A hit show and a dreamy, teen soap star boyfriend seem like the perfect life until her love for both of them begin unraveling before her eyes. All Aura wants is to find her best friend. Oh and maybe her teenage crush, actor Jacksen Andrews, who happens to be looking for a new leading lady, on and off screen. Meeting Jacksen and the cast turns out to be a much more magically complicated adventure than planned, and Aura wonders if she can find her true self amongst the craziness in order to keep herself from being sent back to her unabashedly normal old life.
