Createspace, United States, 2013. Paperback. Book Condition: New. 248 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.ABOUT SMART READS for Kids . Love Art, Love Learning Welcome. Designed to expand and inspire young minds; this is a range of short educational books (with supporting free online resources) for ages 7+. Although one great artist s life and work are always the central theme, wider learning is encouraged as follows: Geography History. Locations or events mentioned are always accompanied by a colourful map or a snippet of history so that the opportunity to learn some general knowledge does not pass the young reader by. Vocabulary. A manageable number of new words are introduced and reused. They are always in bold with clear definitions and pronunciations. There is also a Glossary. Maths. At least one maths statement and its accompanying calculation is always included. Concentration. Each book is in the friendly first person and a trail of footprints always leads to a cartoon animal at the end. The author asks questions of the reader and there is always a quiz. These features keep children engaged and encourage them to form their own opinions. There is a...
