Or destroy it? Take an epic journey to a not-so-distant future, controlled by a handful of the Uber-elite. Where wealth, science, and the human spirit get one last chance to determine humanity's ultimate destiny. Despite the tragic events at Hanssen Scientific, Monique Durand and her newfound companions continue their search for the source of her compelling visions. Are they somehow linked to the secrets of dark matter, as Professor Hanssen is so desperate to believe? Or does the truth reach even deeper-into our Universe's past, and our planet's ultimate future? To find out, they'll need to outwit the Consortium, a secretive group of trillionaires who now have what they need to achieve their own, long-awaited end-game. Together, our unlikely heroes may finally have what it takes to break the Consortium's stranglehold. Assuming they don't strangle each other first.
