Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Theosophical Publishing House, U.S., United States, 1989. Paperback. Condition: New. Language: English . Brand New Book. According to Dr. Haridas Chaudhuri, former president of the California Institute of Asian Studies, consciousness is the essential structure of the human psyche. It is the common denominator of all the levels of the human psychic structure. Consciousness is the essential structure of human reality. All that we do outside of ourselves in our human relations, social activities, or building up social, political and international structures, is ultimately determined by the dynamics of the human psyche. Chapters include: The Role of Philosophy; Integral Psychology; and Quantum Theory and Consciousness; and Meditation for Integral Self-Development.
