Brand New Book ***** Print on Demand *****.Believe it or not, etiquette is just as important in the writing ministry as it is for the preaching ministry (or any other type of public ministry, for that matter). Although the majority of the writing ministry is conducted in private, that doesn't mean that a writing minister will never be asked to speak or present him or herself in front of the congregation. That is why I created the Etiquette: For Apostolic Christian Writers booklet so that you can develop the proper etiquette that is required to grow and prosper in the writing ministry. Just as a preacher can't make it in ministry on anointing alone, he or she needs to develop proper ethics and etiquette for his or her ministry to grow. The same applies to writing ministers. I assure you this will be the BEST most current information you have ever read regarding how to develop proper etiquette for your writing ministry. If you feel you have been called to the writing ministry, Etiquette: For Apostolic Christian Writers is the BEST place to start.
