It comes in hundreds of types, weights, colours and textures. Many of the projects in this book only need simple measuring and cutting skills. And if you make a mistake you can just scrunch it up and start again! The team behind Mollie Makes magazine have brought together all their favourite papercrafters in a range of impressive disciplines from papercutting to papier mache. They share their tips, stories and beautiful projects, inspiring us all to pick up an old book, a newspaper or a vintage map and get creative. Learn how to make stylish cards to impress friends and family, create unique folk-inspired papercut artworks, fold origami lily fairy lights, and decorate your home with an impressive handmade lampshade, a delicate paperbird and a mini party pinata. With simple projects requiring only the basic kit of paper, glue gun and craft knife, as well as more complicated ideas using decoupage, quilling, pop-ups and papier mache, there is plenty to keep you busy. In fact, you could say we've got papercraft all wrapped up!
