Reviews

Extremely helpful to all category of individuals. I have got go through and that i am confident that i will likely to read through once again again later on. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LITTLE MACHINES

PS Publishing, UK, 2005. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. NEW UK HARDBACK in SLIPCASE. SIGNED by MARK McAULEY & GREG BEAR [NO Inscription]. LIMITED Ed. #8/200. DJ in Clear, ARCHIVAL MYLAR WRAP. NO remainder mark. "In the seventeen polished, ingenious and often darkly humorous stories collected here, multiple award-winning author Paul McAuley takes a fresh look at staple genre themes spanning science fiction, horror, and alternate history. In 'Residuals', written with Kim Newman, a hero who once helped repel an alien invasion, eaten up by self-loathing and alcoholism after his bruising experience in the eye of the media, must find it in himself to try to save the world all over again. Bestselling mainstream author Philip K. Dick confronts Richard Nixon and a conspiracy that has taken control of America in 'The Two Dicks'. 'All Tomorrow's Parties' is a compressed marvel of far-future science fiction that packs a novel's-worth of action into its story of how an immortal weary of everything the universe has to offer deals with an unexpected confrontation. A book-dealer turned private detective discovers strange and dangerous rivals making use of the internet in 'The Proxy'. A science fiction fan explains how he became a serial killer in 'I Spy', a story with a little something missing. And in 'Cross Roads Blues', especially rewritten for this collection, the course of American history hangs on the decision of an itinerant musician." | SHIPS AIRMAIL INTERNATIONALLY!. Signed by Author(s).
