Taylor Francis Ltd, United Kingdom, 1999. Mixed media product. Condition: New. New edition. Language: English . Brand New Book. Both research and anecdotal evidence tell us that bullying affects the lives of many of our children and young people. Working together in partnership to reduce bullying in our schools and communities is crucial. The difference it could make to just one child or young person's life is a difference worth making. Preventing Bullying: Creating Non-Aggressive School Cultures is a practical and comprehensive resource for teachers, parents/carers and other professionals involved in managing the effects of bullying. With sample policies, top tips, information for parents and students, case studies, and additional resources, Preventing Bullying: Creating Non-Aggressive School Cultures will provide your school with the information and resources it needs to successfully combat bullying. Write your review By reviewing our products and sharing your experience, you'll be helping your colleagues decide which resources to invest in, and you'll be providing us with invaluable feedback to use in developing future titles.
