MALINCHE, LA DESCONOCIDA (PAPERBACK)

Nostra Ediciones, 2015. Paperback. Condition: New. Language: Spanish . Brand New Book. This book narrates the Conquest of Mexico in a peculiar way. It presents data, quotations, pictures, illustrations, and narratives of the events related to this historical event. However, it goes beyond this as well since it presents the life of Malinche, a central female character and mother of the conqueror. Through this book, you will find the remembrance of the Conquest of Mexico, as well as the exposition of the indigenous peoples necessary for consolidation, that is a central part of Mexican identity. Este libro narra la Conquista de México de una manera peculiar. Por una parte, presenta datos, citas, láminas, ilustraciones y narraciones de los hechos relacionados con este suceso histórico, que constituyen su valor histórico y su objetividad. Sin embargo, va más allá de ello, ya que presenta la vida y la visión de la Malinche, personaje femenino central en este hecho, no sólo como un personaje histórico sino como la mujer hecha esclava, amante y madre del hijo del conquistador. Así, en esta obra se suman y enriquecen entre sí el valor de la objetividad histórica y el de la visión humana de la Malinche. A través de sus páginas encontrarás la rememoración de la Conquista de México, así como la exposición de la humanidad de la indígena que fue necesaria para su consolidación, y que hoy en día es parte esencial de nuestra identidad e idiosincrasia mexicanas.
