Brand New Book ***** Print on Demand *****.Excerpt from New Standard Teacher Training Course, the Pupil, Vol. 1: The Books of This Course Are Based on Outlines Adopted by the Sunday School Council of Evangelical Denominations, and Approved by the International Sunday School Association; The Pupil The Sunday School Council of Evangelical Denominations, at its annual meeting in January, 1917, recommended the following grouping of the adolescent years for the purposes of grading and administration: Group 1 - years 13, 14 (12 optional). Group 2 - years 15, 16, 17. Group 3 - years 18-24. Note 1 - It is understood that these groupings shall in all cases be considered flexible, thus permitting the adjustment of group organization to local needs. Note 2 - The grouping of any particular pupil is not to be determined primarily by age. His week-day social relations, and his mental and religious development are exceedingly important factors. Note 3 - It should be clearly understood that in the application of these principles in the local school the relative efficiency of the organization of the Junior Department and Group 1 be taken into account in placing the twelve-year-old pupil. Note 4 - The upper age limit of Group 3 shall not be understood to prevent the promotion into the adult department of those young people, who, before passing twenty-four, shall have established homes of their own, or otherwise have taken up the responsibilities and interests of adult life. This action of the Council modifies the statements on page 15. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
