Reality Shaper: The Quantum Detective (Paperback)

By Christopher Garfield Allen

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Important Notes: As the sequel to Parallel Lifetimes and a follow up to The Beam of Interest , Reality Shaper is an unusual and accurately researched crime novel that draws together strands from the author s previous books. However, it is written in such a way that it can be read as a self-contained novel. For reasons of authenticity, great care has been taken to ensure technical, geographical and historical accuracy throughout. The time and location details given at the beginning of each chapter are as precise as possible. This most especially applies to those parts of the narrative set in the period of the First World War. Fictional characters have been inserted into actual events. Much of the action depicted herein is based upon eyewitness accounts. Many are aware of the tragic losses incurred by the British Army in July 1916 at the Somme. Few, however, know that the root causes of this disaster may be found in the terrible battles at Neuve-Chapelle and Aubers Ridge fought during the preceding year. Dreadful mistakes were made by both sides....
