Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Tracing my way throughout Kansas City s history gave me a chill with every stone I turned over. The anticipation of the unknown fascinated me with every step. From the seediest of peep shows to the wonders of the speakeasies, and from the well-known restaurants that fed the most important, to the most magnificent of homes that housed the wealthiest. Kansas City has certainly intrigued the writer in me. One only has to look and listen, there is a story to be told!.
