Flame Tree Publishing. Paperback. Book Condition: new. BRAND NEW, Coding JavaScript Basics: Expert Advice, Made Easy (New edition), Adam Crute, If you want your website to do more than simply display information, such as membership login, feedback forms and generally provide more dynamic interaction with the user, then you will need to employ a programming language - and Javascript is one of the industry leaders. Of course, you can use web editors and pre-written programs to do the job for you, but by learning some key coding skills, you will find you can create websites that truly have the edge on your competitors. Aimed at those already familiar with coding HTML and CSS, Coding Javascript Basics covers all the fundamental elements of the language and how and where to use them. With easy-to-follow information, screenshots and helpful step-by-steps, this guide will take your web design to a new level!.
