World Event Trading: How to Analyze and Profit from Today's Headlines (Hardback)

By Andrew E. Busch

John Wiley and Sons Ltd, United Kingdom, 2007. Hardback. Condition: New. 1. Auflage. Language: English. This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. In an age of twenty-four-hour news coverage and cutting-edge technology, world events dominate our lives and impact the financial markets. From hurricanes to the war in Iraq, we exist in a crazy, connect-the-dot planet. However, the well-prepared investor can turn these events into profits. All they need is the ability to recognize the consistent characteristics of these events and the vision to build a strategy or portfolio that can take advantage of these situations when they begin to unfold. As a foreign exchange strategist with over twenty years of financial experience, author Andrew Busch knows what it takes to make it in today's dynamic market. And now, with World Event Trading, he wants to show you how. Filled with in-depth insights and expert advice, this practical guide examines three categories of world events-infectious diseases, natural disasters, and politics-and provides hands-on strategies for trading profitably on each. Using actual examples of the war in Iraq, Hurricane Katrina, and other recent page...
