

Writing in the 21st Century: Past, Present, Future (Paperback)

By Inc Carnegie Writers, Carissa Barker-stucky, Kristen Billingsley

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The concept of writing has changed through the years to accommodate a dominantly technological society. This change has impacted the way adults communicate, collaborate, and write. For productive progression, writers must be familiar with how to market effectively with social media tools, communicate appropriately in business writing and the work environment, recognize personal goals related to their craft, and other topics of special interests. Effective writers accept the past, enjoy the present, and plan for the future.
