INSIDE EGYPT: THE ROAD TO REVOLUTION IN THE LAND OF THE PHARAOHS .

Smp Palgrave Trade. Softcover. Book Condition: New. First Edition. Available Now. Book Description: The government of Egypt banned Inside Egypt in 2008 - the first time a book on Egyptian politics had been banned in the country in decades - and quickly rescinded it after the media firestorm that followed. The book depicts a country on the brink of collapse. Through interviews with ordinary Egyptians and extensive travels in the country, Bradley reveals why Egypt is now vulnerable to another popular uprising that could bring about an Iranian-style theocracy in a country once noted for its plurality and tolerance. : Review: Bradley's books suggests Egypt's rupture had clear omens . . . and was promptly banned by the Mubarak government. "The New Yorker" This dark and sober look at contemporary Egypt . . . offers a compelling explanation for the anger now being seen on the streets of Cairo. "The Christian Science Monitor" Terrifically well told and extremely sobering "Kirkus" In this highly readable and thoughtful volume, Bradley provides a devastating critique of Egypt's current dictatorial government. "Library Journal" "Inside Egypt "is an original, angry, brilliant, subtle, and highly readable expose of contemporary Egyptian politics and society. "Peter Bergen, author of Holy War Inc. and The Osama bin Laden I Know" Egypt is the next domino to fall and, as they say, so goes Egypt so goes the Middle East. John R. Bradley hits the nail on the head, explaining why a pillar of American dominance in that part of the world is about to crumble. "Robert Baer, former Middle East-based CIA operative, author of See No Evil and Sleeping with the Devil" John Bradley's "Inside Egypt" is an informed and immensely readable addition to this literature "Michael Burleigh, Kefaya" .a must read for anyone interested in Egyptian politics. "Nathan...
